TriPride 2021: Continued Optimism Despite Setbacks

Coming into 2021, TriPride’s organizers were faced with the same uncertainties caused by COVID-19 as were faced in 2020. However, as winter faded into spring and vaccinations became available to the general public, a renewed optimism bloomed. TriPride’s Board of Directors re-engaged with our Bristol TN/VA city partners and picked up where we had left off in 2020. We were on track to bring Pride to Bristol on October 16, 2021. Businesses, organizations, and individuals signed up to march in the parade down State Street. Sponsors, vendors, exhibitors, food trucks, and entertainment were squared away. We were able to meet our fundraising budget despite the continued economic impacts from Covid-19. Street closures and Cumberland Square Park’s layout was all planned and ready to go. We were ready to have Pride in Bristol!

However, with a little over a month until the event, our optimistic landscape began to shift. Local Covid-19 cases were once again rising due, in part, to a new, rapidly spreading variant and local reluctance to get vaccinated. The numbers were going in the wrong direction.

TriPride’s organizers were faced with difficult questions that had to be answered: Do we continue with the parade and festival where an anticipated 10,000 people would join us? Would it be possible to bring that many people together safely, even though we were outside? If we did move forward, would it be seen as reckless by the community? Would we continue to have sponsor, vendor, and most importantly, community support?

These difficult questions, and more, weighed heavily on our Board of Directors. After much deliberation, TriPride’s board unanimously agreed to the incredibly disappointing and frustrating decision to cancel our event once again. Despite obvious disappointment, the community remained supportive and, in most cases, praised the decision.

Despite the ultimate cancellation, TriPride continued to engage with the community and abroad. We were highlighted by TripAdvisor (https://www.tripadvisor.com/Articles-IPTQPa5Jg7k-Small_town_pride_celebrations.html). We partnered with Virginia Tourism who loaned us their Pride themed LOVE letters. The letters were erected in front of the Bristol Hotel for two weeks.

Board members joined the Johnson City Public Library for their teen book club with a Q & A session about two books, Southernmost and The 57 Bus and how the experiences of the books’ characters related to local experiences. We joined local Juneteenth celebrations in both Bristol and Kingsport.

During what would have been our annual Pride week, we held our community hike and picnic in Steeles Creek Park in Bristol.

We also hosted our first-ever Teen event at the Bristol Public Library. The event was well attended and we hope to host more throughout the year. We continued to build upon our partnerships with other local organizations such as Appalachian Sustainable Development, our local Free Moms Hugs chapter, and the newly chartered DEI Alliance of Northeast TN and Southwest VA (www.deialliance.org). And finally, we joined other local and community organizations and decorated a tree for the annual Johnson City holiday presentation.

2020 also saw new board members join us as several board members chose to step down after fulfilling their term. Our gratitude goes out to Alan, Kavita, and Mason for working so hard and supporting TriPride and our community.

We are committed to bringing Pride to Bristol on August 27, 2022. We firmly believe the third time’s a charm, and after three years of planning, we’re convinced this will be the best TriPride yet! Board members and city partners are determined to make 2022 happen.

We whole-heartedly thank our community for their continued support. Thank you to those who were able to financially contribute to us. And thank you to our community members who are part of our planning committee. TriPride is so much bigger than just its board. It’s a reflection of our LGBTQ+ and allied community.

Why Become A Sponsor?

What is TriPride

TriPrideTN, Inc. (TriPride) is a 501(c)(3) nonprofit organization formed to build a stronger and more inclusive community across northeast Tennessee and southwest Virginia. TriPride welcomes and celebrates the LGBTQ+ community with their allies, supportive nonprofit organizations, faith communities, businesses, and with local governments.

Why the need for TriPride

We need an organization that celebrates and welcomes the LGBTQ+ community and all who love and support them. Because we recognize that there is a general undercurrent of divisiveness in our country, which can be seen by anyone who spends time on social media or watches the news. That divisiveness is disheartening. It’s counterproductive. It drives unnecessary wedges between us. Building bridges between segments of the community, starting with the LGBTQ+ segment, works to counteract the divisiveness.

TriPride’s Aspirations

- Provide a sense of belonging for people who need it
- Reduce divisiveness by bringing people together to share different perspectives and commonalities
- Build the Tri-Cities’ reputation as a welcoming place to live and work – which is good for people and good for business
- Our members believe we live in a great region – and we feel a shared responsibility to help make it even better

Why Corporations & Businesses should sponsor TriPride

The LGBTQ+ community, especially in the South, still has to contend with prejudice and bias on many fronts. The generous support of individuals, small businesses, organizations, and corporations is necessary to build our commitment of growth to better serve our community. Corporate sponsorship of TriPride is an incredible opportunity to get your brand and message in front of a large audience while showing your support and acceptance of them and their families. All the corporate sponsor packages can be customized to fit your needs, and if you have something else in mind, we’d love to hear from you. No matter what you choose, you’ll be showing your support for equity, inclusion, and diversity.

Thank you,
The TriPride Board of Directors

Considerations Regarding COVID-19

We are committed to the safety and well-being of our community.

COVID-19 continues to present challenges to planning any type of event. The 2022 TriPride Parade and Festival is no exception. TriPride’s organizers remain in close consultation with our Bristol, TN and Bristol, VA city partners. All planning parties are committed to producing an incredible Pride event in Bristol this year. However, if the health landscape is still impacted by COVID-19 when it comes time for the event, our commitment to our community will demand we cancel the parade and festival, as we did in 2021. As much as organizers and community members want to get back to normal and have our Pride event, we also want to be responsible leaders and do what’s best for the community.

Who and what determines if the event is canceled?

TriPride’s Board of Directors, in consultation with key planning partners from the cities of Bristol, TN and Bristol, VA will continuously evaluate the event’s viability as we progress towards August 27, 2022. We will look at any and all available health data to determine the best path forward.

If the event is canceled, what happens to my sponsorship?

Since our founding, TriPride organizers have sought to be as transparent as possible regarding financial contributions and support. In the event that the 2022 TriPride Parade and Festival is canceled due to Covid-19 concerns, TriPride will offer you the option to hold the sponsorship and keep it active for the next parade and festival OR TriPride will refund 100% of your sponsorship. The choice is yours.

If the parade and festival are canceled, will other TriPride events occur?

If the 2022 TriPride Parade and Festival is canceled, we will do our best to continue engaging and connecting with the community. TriPride will continue to celebrate Pride with our community however we can.
