Why Become A Sponsor?

What is TriPride?

TriPrideTN, Inc. (TriPride) is a 501(c)(3) nonprofit organization formed to build a stronger and more inclusive community across northeast Tennessee and southwest Virginia. TriPride welcomes and celebrates the LGBTQ+ community with their allies, supportive nonprofit organizations, faith communities, businesses, and with local governments.

Why the need for TriPride?

We need an organization that celebrates and welcomes the LGBTQ+ community and all who love and support them. Because we recognize that there is a general undercurrent of divisiveness in our country, which can be seen by anyone who spends time on social media or watches the news. That divisiveness is disheartening. It's counterproductive. It drives unnecessary wedges between us. Building bridges between segments of the community, starting with the LGBTQ+ segment, works to counteract the divisiveness.

Why Corporations & Businesses should sponsor TriPride

The LGBTQ+ community, especially in the South, still has to contend with prejudice and bias on many fronts. The generous support of individuals, small businesses, organizations, and corporations is necessary to build our commitment of growth to better serve our community. Corporate sponsorship of TriPride is an incredible opportunity to get your brand and message in front of a large audience while showing your support and acceptance of them and their families. All the corporate sponsor packages can be customized to fit your needs, and if you have something else in mind, we'd love to hear from you. No matter what you choose, you'll be showing your support for equity, inclusion, and diversity.

Thank you,
The TriPride Board of Directors
